MEMORIES

of Colleen Ritzer

"Having Colleen Ritzer in my life was truly a blessing. It was such a gift to share a room with her. From her amazing listening skills to her funny nicknames it was always a pleasure being around her. Just sitting around hanging out in our yoga pants because according to Colleen 'yoga pants are heaven on your legs' was our ideal relaxing time. Colleen could light up the room just by walking in and smiling. Colleen was a miracle to walk into my life at a time when I needed it so much. She always showed me constant support and made me laugh. Although our friendship has now changed I will always hold her close in my heart and know she will be with me through thick and thin. I am honored to call Colleen my friend."

Caroline Rufo

Colleen's College Roommate- Class of 2011

"Colleen Ritzer made my job very easy as her academic advisor. She earned strong grades in her Math major and Psychology minor, and in the Secondary Education Concentration.

Whenever Colleen visited my office during Course Selection, she didn't need much advice from me — she already knew what courses to take to further her progress.

Colleen had a clear vision of her calling, and did a wonderful job of reaching it... and she always smiled!"

Yearbook in memory of:

Erin Rodriques

Assumption College Class of 2012

August 17th, 1990 - December 9th, 2013

MEMORIES *of Erin Rodriques*

"One of the quotes I heard a lot when Erin Rodriques passed was, 'If you are who you should be, you will set the world ablaze.' This statement, by Saint Catherine of Siena, fit Erin to a tee. No matter what situation presented itself, Erin was always true to herself, kind to those around her and she made an impact with everything she did. And she did a lot. In her time at Assumption she went on two international trips through the school, participated actively in Le Provocateur and Merely Players and did it all with a smile in her eyes and, often, a camera in her hand. A talented photographer, faithful Catholic and dedicated student, Erin exemplified the very best of Assumption. For those of us lucky enough to know her, we remember her as an incredibly kind, funny and thoughtful friend, who rarely had an unkind word to say. When she did have an unkind word, however rare, it was always deserved. And often hilarious. Even those who only knew of her in passing knew her as a sweet, quiet woman, who radiated warmth and friendliness. She was a comforting, soothing presence during stressful times, and always gave the best advice. Erin is and will always be missed."

Erin Sullivan

Close Friend- Class of 2012

"As Le Provocateur's first photo editor, Erin Rodriques was a major force in changing the look and overall quality of the student newspaper. But she was much more than that to her professors and her peers; she was loved and respected by an extraordinary range of people,both for her talents and for her personality. For my part, I always felt I was talking to a friend who shared many of my interests; I especially treasured our conversations about nature photography, as it turned out we were shooting many of the same trails and, we suspect, the same porcupine. Only Erin, with her keen eye and quiet approach, had spotted that porcupine many more times than I. The thought of everything she would have done, and observed, and recreated for others through her creative gifts, is just one reason we feel such a sense of loss today."

A Letter from the Class President

Dear Class of 2014,

How did the last four years go by this quickly? I have heard this question being asked by many people lately. This sentiment is something to which we can all relate as we reminisce on our first days at Assumption College. I remember the excitement and apprehension as my parents drove away and I officially started my time as a college student. Although I had many hopes for what my time in college would bring, I had no idea what to expect. There was no way I could have imagined all of the wonderful people that I was going to meet, experiences I was going to have, and things that I was going to learn.

Throughout my life I have heard people say that their college years were the best years of their lives. Assumption has certainly lived up to this expectation: from the sophomore year freak snow storm, to the Red Sox winning the World Series. However, when thinking about all of the doors that have been opened to me these past four years by the education that I have received, the mentors who have helped me, teachers who have inspired me, and classmates who have motivated and supported me, I cannot imagine that the "best years" have come to an end.

We have endured some difficult times, but these have only shaped us as better people. They have created a resolve to withstand whatever is thrown at us. If there is one thing that I will take away from Assumption, it is the community and the people that have made me never regret my choice to come here, and the strength they have given me to become a better person.

The past four years have been a time where we have come together as one, uniting as a single body from different backgrounds and experiences. Assumption has shaped who we are as people in ways many of us will not know for some years. As we leave Assumption, remember the times we have come together as one Hound Pound, and carry those memories with you forever.

Cheers,

Devon Holmes '14

Seniors' First Night Out

On Friday, September 13th the seniors celebrated one of their first nights back at Assumption by heading to Jillian's Bar & Billiards Room for a fun-filled night of playing pool, eating, drinking, and catching up with friends about their summers. All of this was done while enjoying a live band. This was a fabulous way for the seniors to begin their final year of college.

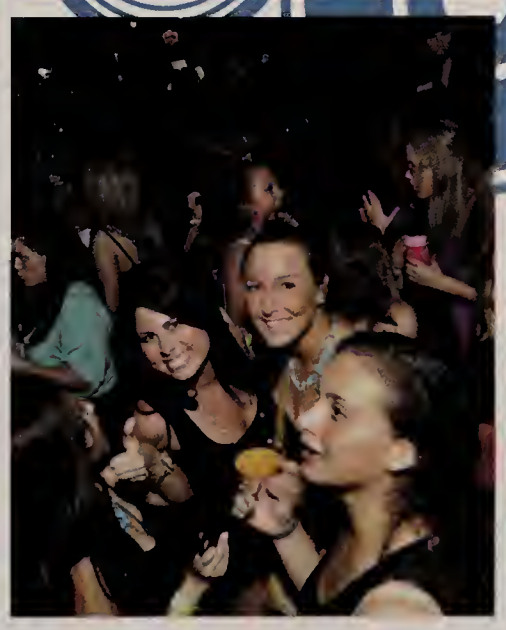

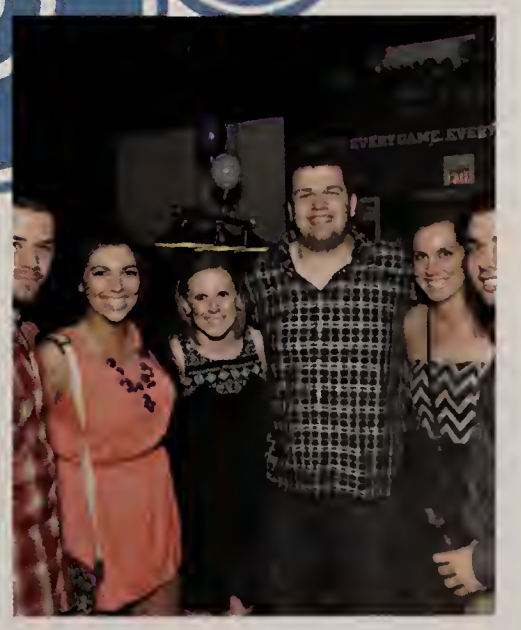

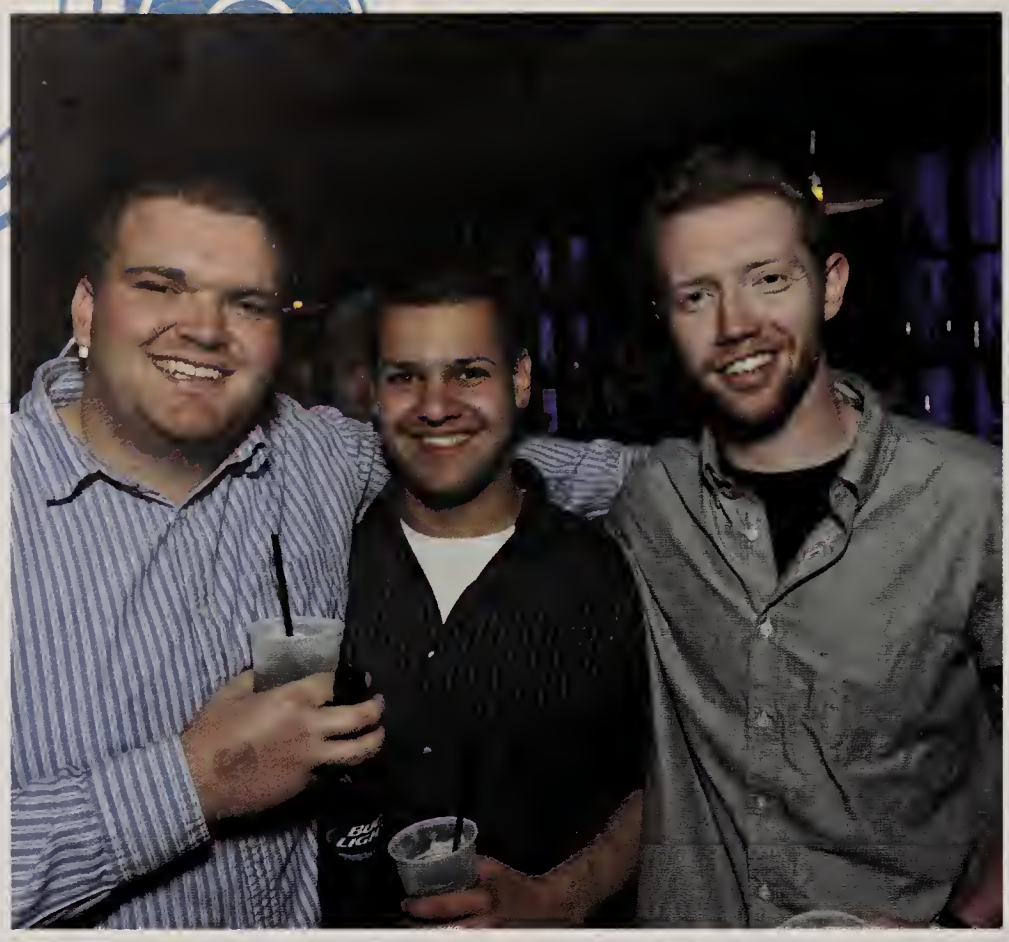

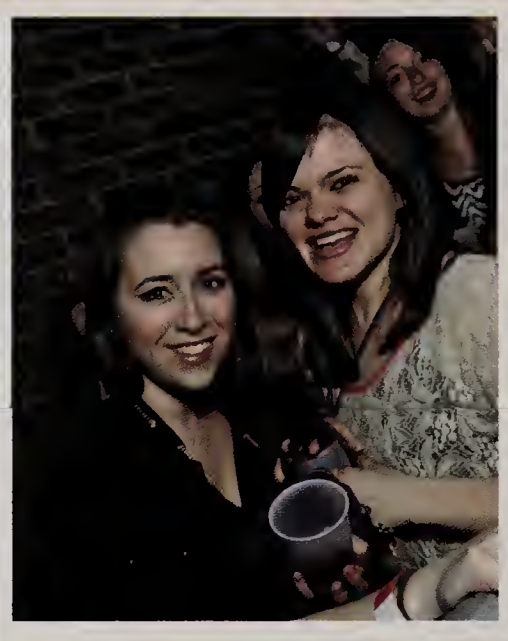

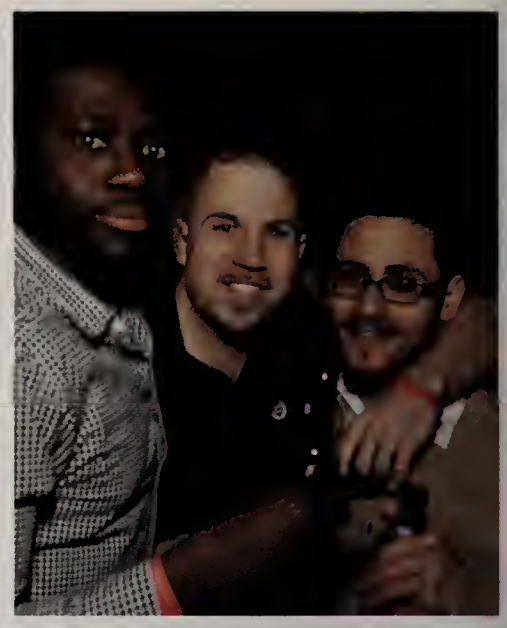

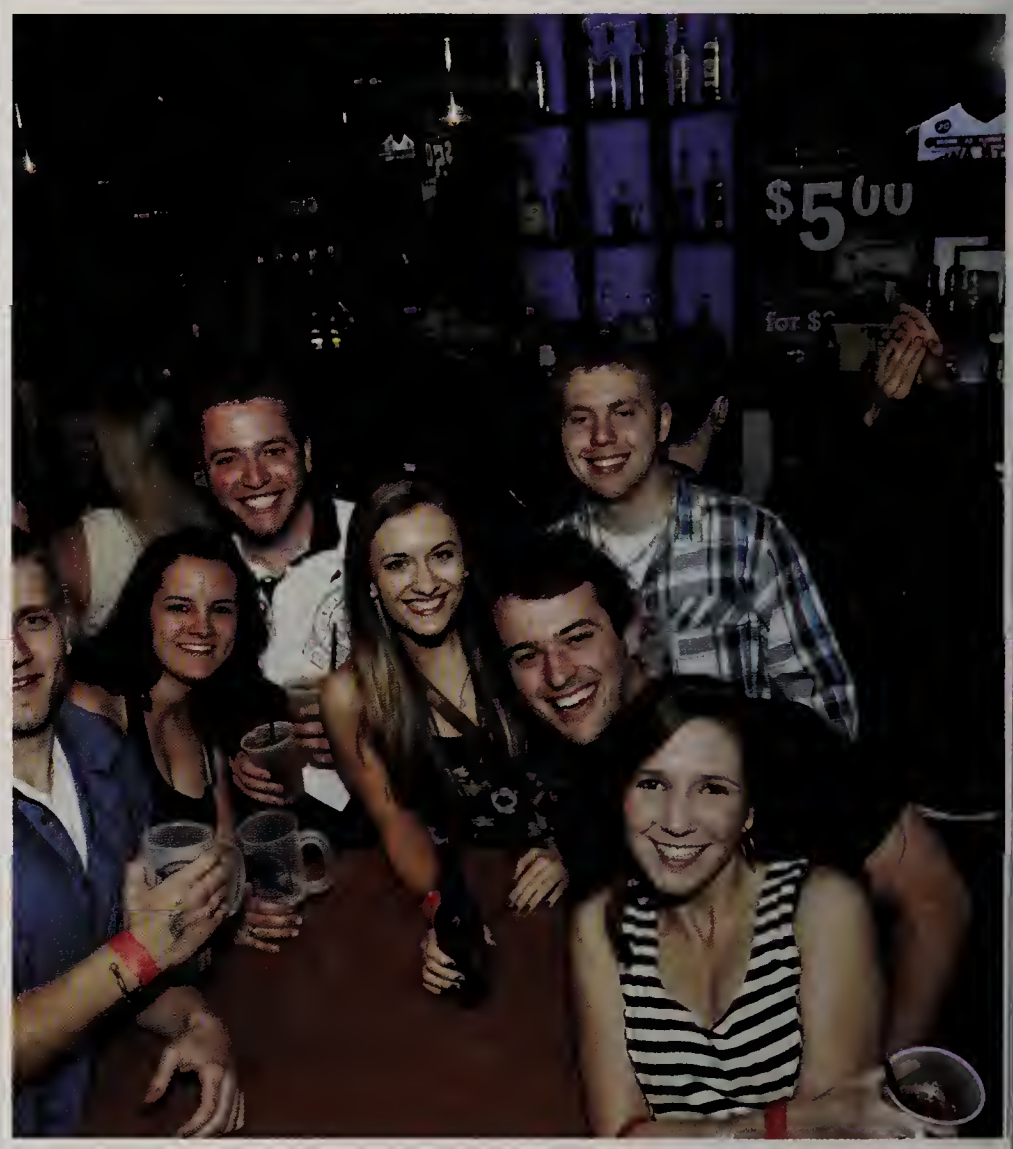

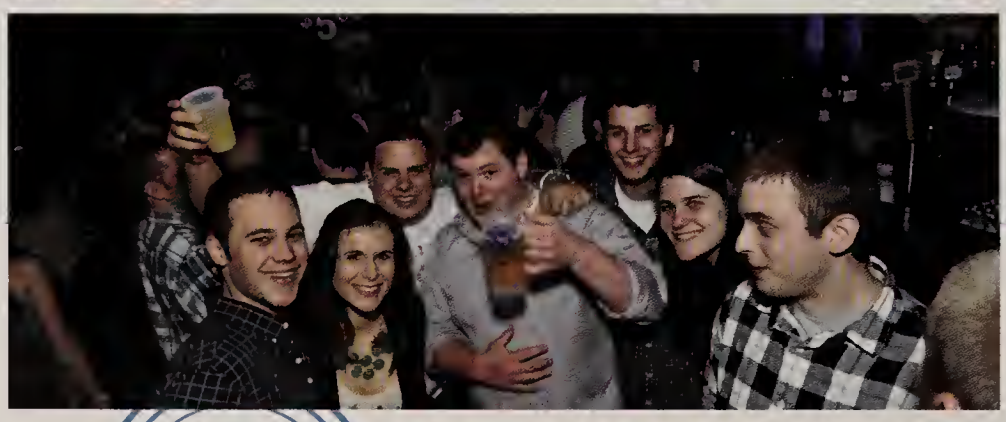

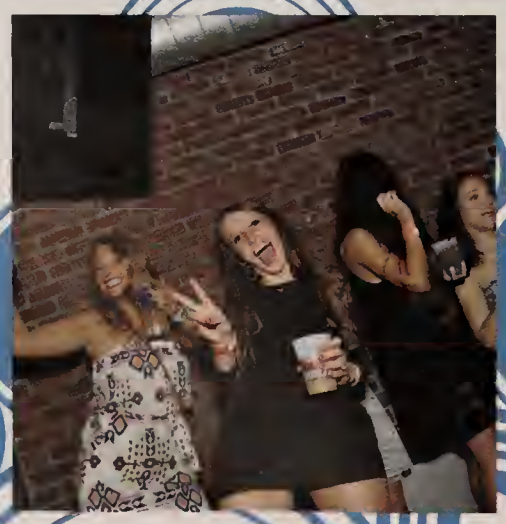

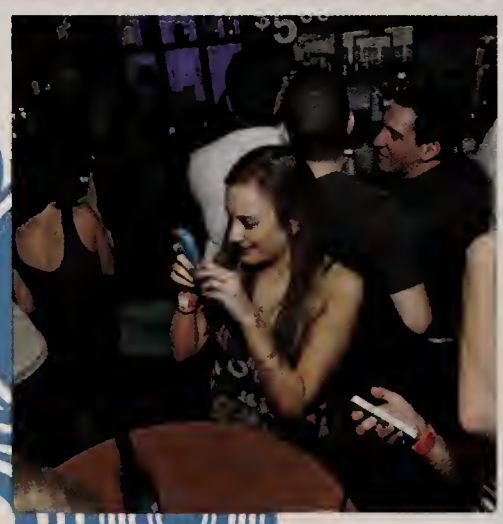

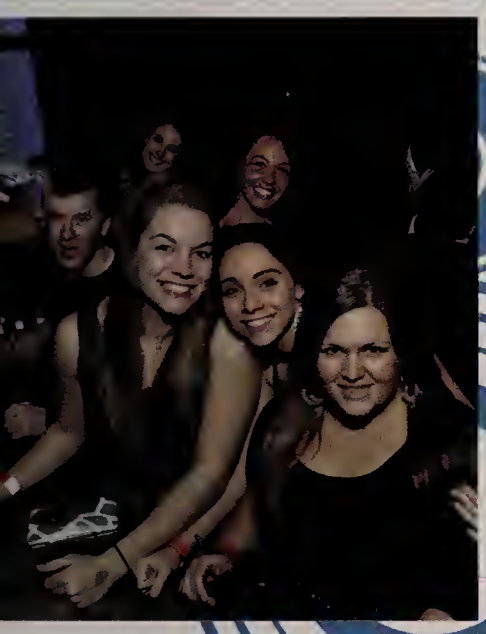

Seniors' 50 Days

The Class of 2014 celebrated "50 Days" until Graduation from Assumption College by heading to Industry Bar Room to commemorate with their classmates and friends. This year's Senior Class Officers decided to try something different by visiting this new venue on Water Street in Worcester, MA. This bar and dance club offered a fun and exciting night for all those who attended.

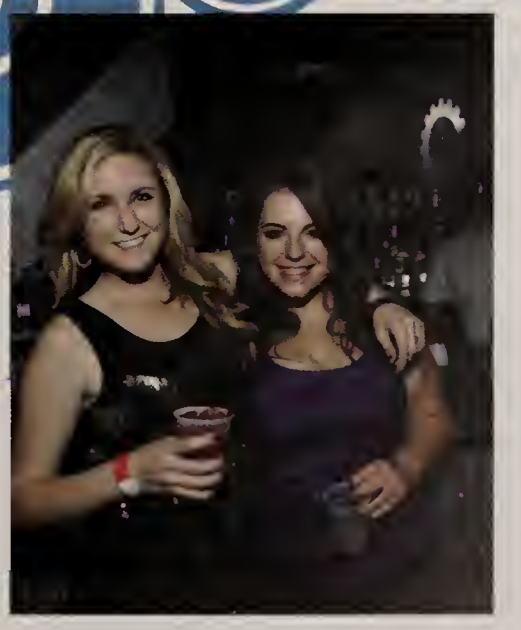

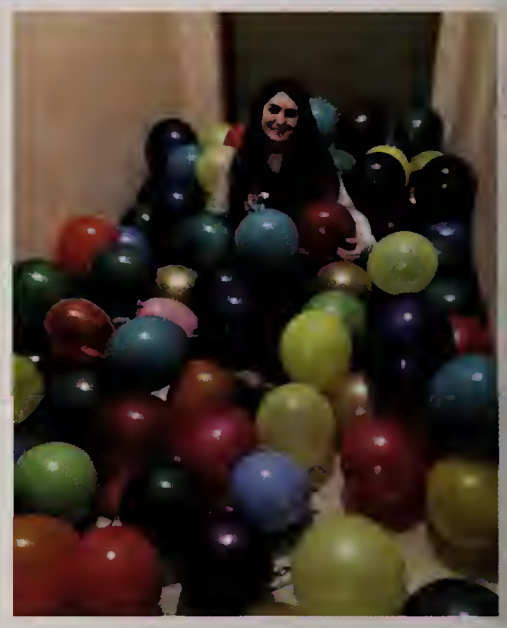

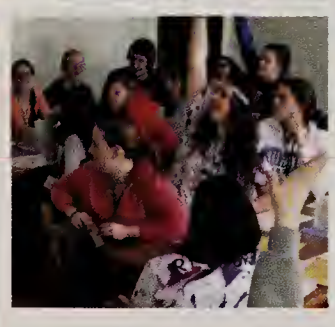

2014 Senior Retreat

The Senior Retreat is designed by Campus Ministry to help seniors reflect on the past four years, feel more comfortable with the reality of graduation, and look forward to the future with hope and optimism. The retreat includes small group discussions, talks by fellow seniors, reflection opportunities, and student-led entertainment. It is directed by two seniors on the Campus Ministry Core Team, who are assisted by other seniors who have attended a START Retreat. This year the retreat was led by Alyssa Lombardi and Katerina Reilly and was well-attended by a broad range of senior students. Held at the Immaculate Conception Spiritual Renewal Center in Putnam, CT the group shared reservations and hopes about the future after college. By the end of the retreat new bonds had been formed and old ones rekindled as seniors laughed, cried, and reached a greater acceptance of the new life paths that lay ahead after graduation.

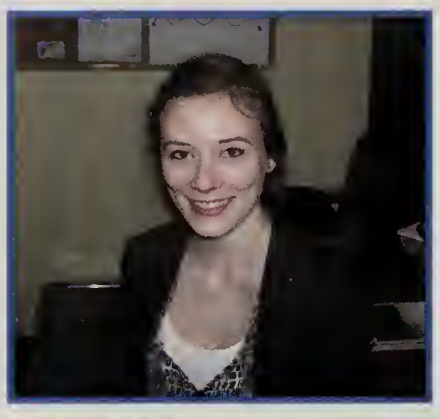

A Letter from the Heights Yearbook Staff

To the Class of 2014,

Today you have reached a major milestone and are finally ready to embark on the next phase of your life. Today you have reached that long-awaited moment and graduated from Assumption College. We congratulate you on your success.

You should be proud of yourself for all of the work you have done to reach this point. You've passed all your tests and finished all your papers. There will be no more syllabi or blue books. You have made many life-long friends and begun to define yourself as an independent member of society. You have accomplished a great deal and we cannot tell you how excited we are to see what you do next.

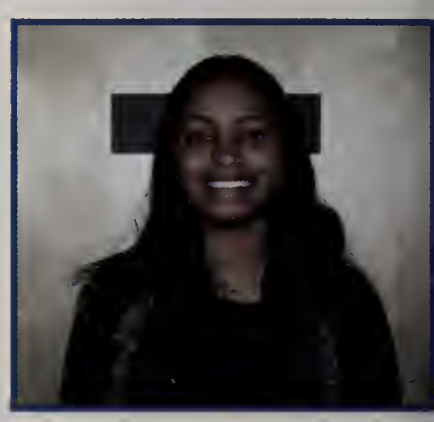

You have reached the end of one great step on the journey that will become your life. However, like the never-ending path of the circle, this is not only the end, but also the beginning. It's time to venture forth into something new, to take the next step and to bring your sphere of influence out into the world to touch the lives of those around you.

We won't pretend that there won't be challenges and we can't guarantee that everything will work out perfectly. But we do have faith in your ability to accomplish anything you choose. And we can promise that there will always be a community of people to support you in any way you need.

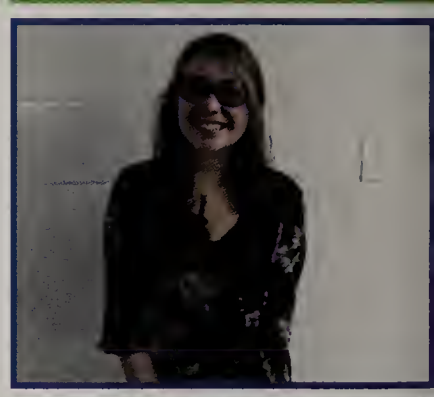

In the words of Pearl Bailey, "Never, never rest contented with any circle of ideas, but always be certain that a wider one is still possible." It's time for you to move forward beyond the world of Assumption College. Remember your past, but don't allow yourself to miss the present and never let fear define your future.

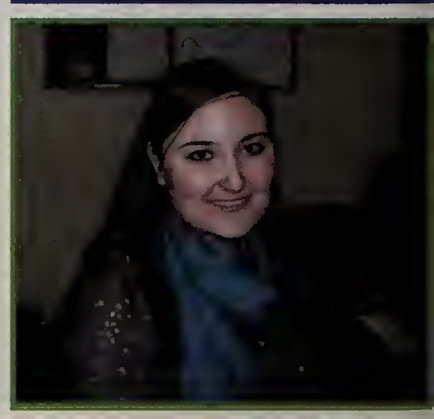

We wish you the best of luck in all you choose to do.
Congratulations, Class of 2014!

ORIENTATION 2013

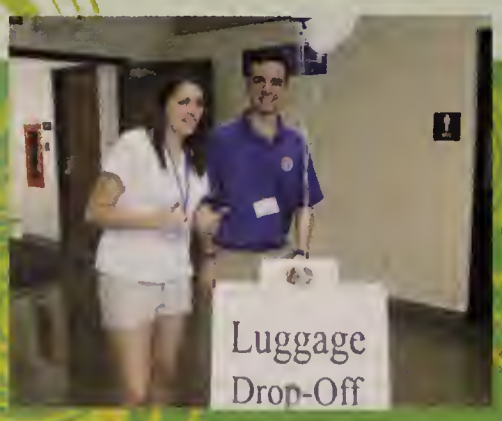

Nearly all students at Assumption College experience First-Year Orientation, a program that allows incoming freshmen to spend a night on campus. Here, they learn about what the college has to offer, including academics, spirituality, extra-curricular clubs and activities, and much more. Together, the 28 Orientation Leaders guided approximately 500 students from the Class of 2017. This was done over three sessions of orientation, allowing them to get acclimated to the college campus, meet new friends, and enhance the excitement of their college move-in in the upcoming fall. The Orientation Leaders achieved much personal growth, making new friends and creating life-long memories out of once-in-a-lifetime experiences. SIBLINGS' WEEKEND GETS GOLD!

March 1, 2014

Siblings Weekend is some serious fun for the brothers and sisters of Assumption students. It takes place in the spring semester and provides activities for siblings of all ages with inflatable bounce houses, various take home novelties, and evening programs that is sure to leave lasting memories.

FEBRUARY 28 - MARCH 2, 2014

ST. PATRICK'S DAY

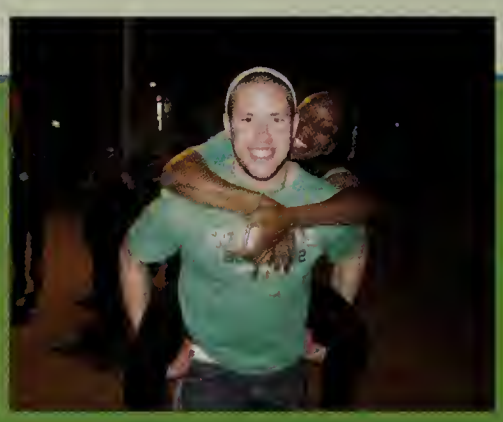

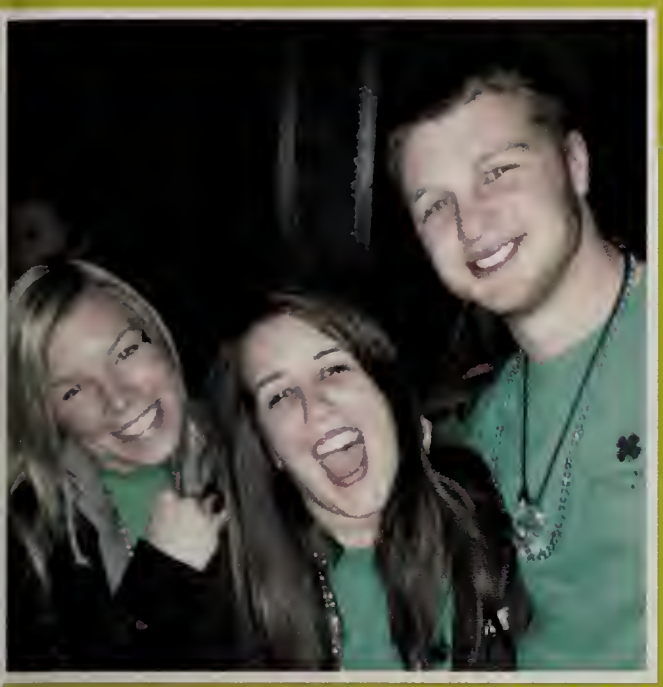

"Green flooded campus on Sunday, March 17th as students celebrated the Irish on St. Patrick's Day. Excited for the popular celebration, students visited various Irish pubs throughout Worcester, including hot spots Leitrim's and Mahoney's, and also attended the annual Boston and Worcester Parades. It doesn't matter what your heritage is...everyone is Irish on St. Patrick's Day!"

START

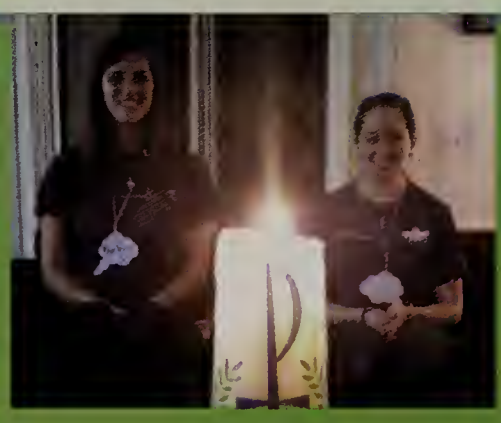

The START Retreat is one of the many programs run by Campus Ministry that provides students with the opportunity to grow in their faith and strengthen their relationship with God. All students are encouraged and welcome to attend, Catholic and non-Catholic alike. It is a wonderful opportunity to meet new people who have similar interests in developing and sharing their faith. This retreat focuses on the reflection of identity, commitment, faith, prayer, and discipleship. It is a student-led, 24-hour retreat, and includes talks given by students, small group discussions, time for reflection, and opportunities for students to relax with one another.

HORIZON

"HORIZON is the continuation of the START Retreat experience offered at Assumption College. For those who have attended START and enjoyed the experience, HORIZON is an opportunity to explore the deeper dimensions of your faith life and to "continue the journey". While START primarily focuses on the theme of community, HORIZON is geared toward the individual and their relationship with God. This retreat is a powerful experience that causes you to ask where you are in your faith life and encourages you to go further. HORIZON participants spend a good deal of time reflecting on these subjects. For some, this becomes an opportunity to renew themselves and their commitment to God."

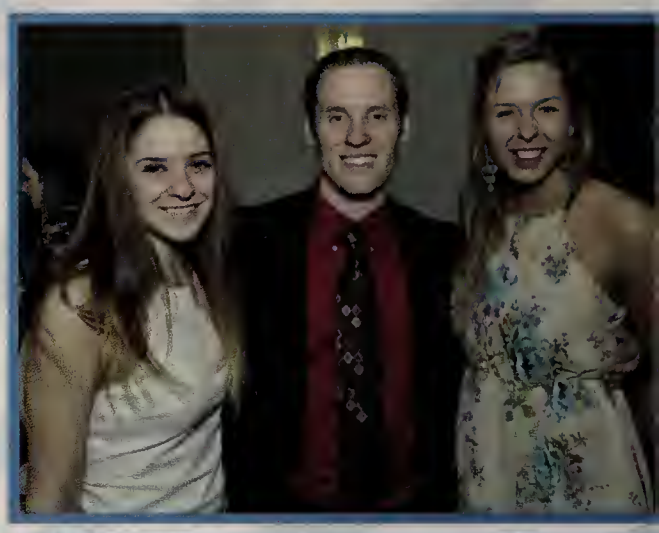

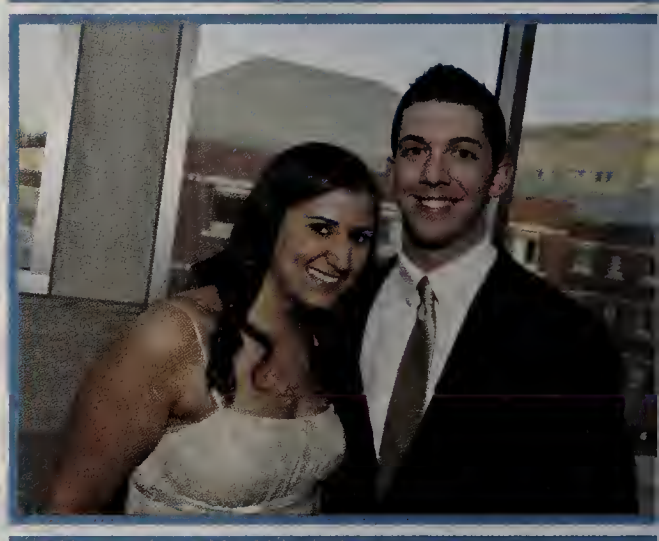

SPRING BALL: The Roaring 20's

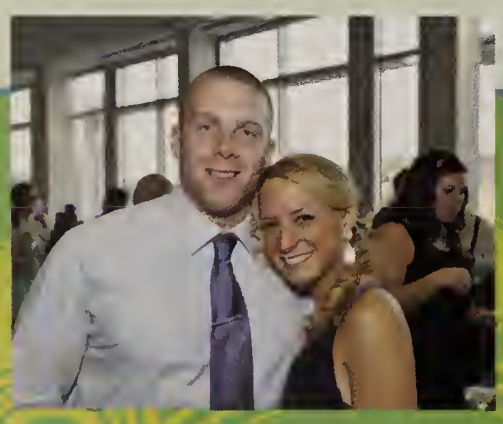

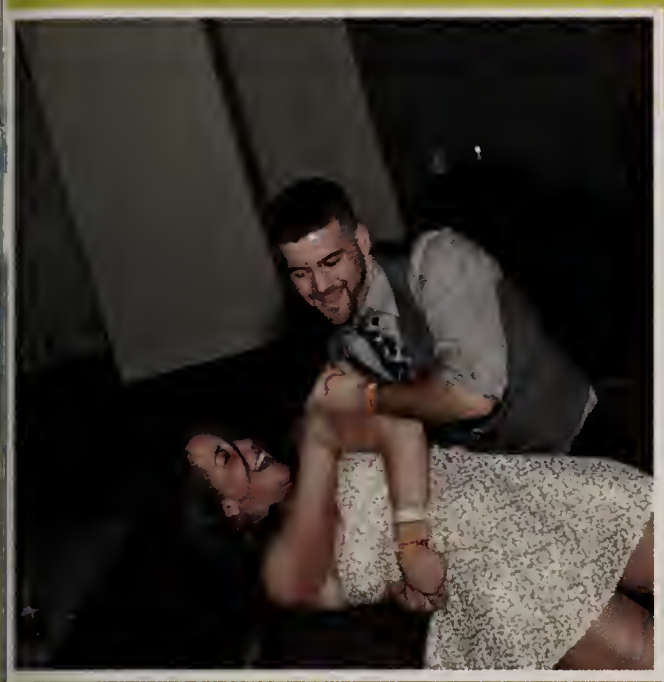

"On Saturday April 12th, the junior and seniors attended the Spring Ball at the DCU center. Starting at 6:00 pm sharp and continuing on until 11:00 pm the upperclassmen ate, danced, and made new memories. This event was very elegant, classy, and simple. Students received a photo booth strip as a favor for attending. This Ball returns to the DCU center for one last formal event before the year ends."

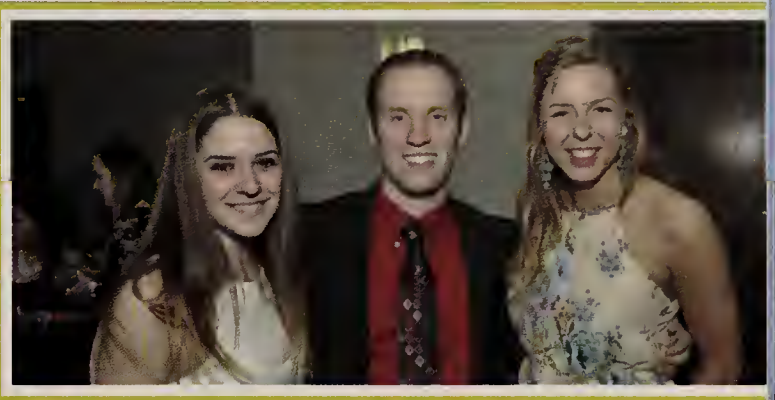

APRIL 12, 2014

SEND

"The SEND program, offered through Campus Ministry, allows Assumption students the opportunity to participate in a service trip during a college break. These service locations are international, in Ecuador, and throughout the U.S.; this includes Tuscaloosa, AL, DE, Trenton, NJ, Camden, NJ, Staten Island, NY, PA, FL, Washington D.C., Baltimore, MD, and Pine Ridge, SD. Through our SEND service immersion trips, students step into the poverty, homelessness, and injustice in our world. They spend their time caring for the people in need within a community by exercising the corporal works of mercy. Some groups participate in a Habitat for Humanity mission to provide families with affordable housing, some work at soup kitchens and homeless shelters, and others exercise a ministry of presence and spend time, one on one, with individuals in need. SEND trips inspire students to spread the awareness of different social issues, work to change the lives of others through service, and to live out the Gospel of Jesus Christ."

WINTER & SPRING BREAKS

A Letter from the President

Dear Graduates:

Most of you arrived on the campus of Assumption College four years ago uncertain about what lie ahead of you. I am sure that you went from moments of anxiety to moments of excitement as you began this chapter in your life. Now, four years later as you come to the end of your college education, you may be experiencing the same moments of excitement and anxiety as you look into the future yet to unfold with all of its opportunities and challenges. Yet, you face that future as a very different person than when you first stepped foot on this campus. And while the uncertainties are surely there, you are prepared to meet the future because of the education you have been privileged to receive as a student at Assumption College. Through the efforts of the faculty, staff, and administration you have been exposed to a wide array of disciplines which have expanded your mind as you have considered new ideas, new ways of looking at the world around you, and new ways of questioning. Above all, we have sought to prepare you to think through your values and life as we have formed your mind, heart, and soul. Regardless of your degree - whether in business, education, the sciences, the social sciences, or the humanities, your education at Assumption has been distinctive. Your education affirms a set of values grounded in the Catholic intellectual tradition. At Assumption we recognize that learning is sacred because in our quest for knowledge and truth, God reveals Himself and in that act of revelation we are transformed and, in turn, the world itself is transformed.

As you go forward from this place, it is my deepest hope that Assumption College has not only been a place where you have learned and developed to live successfully in society. Rather, it is my hope that it has also been a place where your values and beliefs have been formed and that you feel compelled to create a better world for all people. If that is indeed the case, then the College motto, "...until Christ be formed in you" has become a reality in your life.

Congratulations on your accomplishments and my sincerest best wishes for a successful future. God bless you.

Danielle Rita Ouellette

Our Dearest Vincent,

One of life's most important milestones is obtaining a higher education, and you have successfully met that goal! We want you to know just how very proud your family is of you.

We know that college life at Assumption was a wonderful experience of connecting with friends, being part of exciting campus events, and living independently. We also know that college is not easy, especially given the long days and late nights cramming for exams and writing papers, but that is behind you now and what lies ahead is a life full of potential an opportunity.

Soon after graduation, you will embark on another journey moving towards your dreams of being a writer and director. We are all so excited and can't wait to read your first screenplay, or see your first movie, or read that bestselling novel…so hurry up. One thing we do know is that your stories will bring entertainment to the masses!

You have grown into a gentle, quiet, and caring man with morals and values we can all respect and admire.

Enjoy your day in the sun and take some time to reflect on your, family, your friends, your life, your future and your God.

With Peace and Love,
Your Loving Family....
